

Senior/Medical Writing Managers – Cambridge – UK

HAVE A SUCCESSFUL FUTURE WITH YOUR WRITING SKILLS!!!!

Do you have experience of writing for clinical research and regulatory submissions?
Do you have understanding of full drug development concepts?

If yes, than we have,

an outstanding opportunity for a talented Medical Writer to join UK's leading Global contract research organization (CRO).

For this Opportunity, you will need experience of writing for clinical research and regulatory submissions; you will have a good understanding of full drug development concepts, the ability to interpret medical data.

As a Medical Writer, you will be responsible for researching, writing and project managing scientific documents e.g. protocols, final study reports, IMPDs and other regulatory documents covering a wide range of therapeutic areas for clients and regulatory agencies.

Medical Writing Managers will have additional role of line managing a team of medical writers.

If you know anyone who would like to join one of the UK's Leading Clinical Research Organizations to have a bright and successful future with their writing skills we would like to hear from them.

Based Cambridge -UK

Excellent Salary or rates will be offered for the right candidate.

If you feel that, you could become part of a world-leading organisation in the above role and you are interested in learning more about this important position we are eager to hear from you.
